Boarding & Exercise, Pickup & Delivery | Training | Puppies

BOARDING

- Combination indoor quarters and attached outdoor runs can randomly be accessed thru a swinging glass door.
- All interior quarters have radiant heated floors.
- Indoor sleeping quarters are 4' x 4' and all white.
- Outdoor runs are 4'x10' and separted by a custom 1-3/8" cyclone fencing and 6" curb.

BOARDING CONT'D

- The fencing allows viewing of other guests and the curb is to prevent contact with others waste.
- All runs feature double security fencing to insure safety of our guests.
- Medication or special diets can be administered as prescribed by your vet or your written direction.
- DHLPP, Rabies, Bordetella & Corona vaccinations are required.

We recommend not changing dog food.
We feed Purina (your choice)

RETRIEVER TRAINING

Formalized training of retrievers to perform as companions under hunting conditions.

- Retrieve
- · Deliver to hand
- Come when called
- · Shoot birds over dog
- Steady (wait for command)

We train you "one to one" to become a team.

RETRIEVER PUPPY TRAINING

- Begin training at 42 days
- · Go outside to the bathroom
- Come when called
- Retrieve

A normal class is two to three weeks; add one week for water work.

OBEDIENCE TRAINING

Generalized training of all breeds to function as companions in a family or social setting.

- **HEEL**, walk at your side, (on or off leash)
- SIT on command and automatically sit when you stop walking.
- STAY, need I say more?
- **COME**, (all important command). We will get it done, you keep it done.

You will be trained "one on one" to become a team.

A normal course is six weeks, an accelerated course takes three weeks.

PRIVATE CONSULTATION

Involved analysis of your dog's, behavioral social or hunting problem (s) which require attention in order to develop an owner implemented behavioral modification program.

POINTING DOG TRAINING

Formalized training of pointing breeds to perform as companions under hunting conditions.

- Point
- Come when called
- Shoot birds over dog
- Retrieve

We train you "one on one" to become a team.

POINTING DOG PUPPY COURSE

(Begin training at 42 days)

- Point
- Come when called
- · Go outside to the bathroom

A normal course is two to three weeks; add one week for retrieving.

PRIVATE LESSONS

One on one, "you, yours and me."
